This course will foster a deeper understanding of Adolf Hitler the man and dictator, the origins of the Nazi Party and its rise to power, the Nazi Party in power, the Nazi state, the origins of World War II, the German experience during the war, the development and execution of the Final Solution, and the struggle of contemporary Germans to deal with their Nazi past.

Traveling to Vienna, Munich, Nuremberg, Berlin, and Cracow, the group will tour sites of significance to the history of Nazi Germany, including the homes of Hitler as a young man in Vienna, the place where the Nazi Party was created in Munich, the beer hall where the party emerged as a major political force for the first time, Dachau concentration camp, the stadiums where Nazis held major rallies, and the site of the famous Nuremberg Trials. Students will walk the route of the famous "Beer Hall Putsch" of 1923. In Berlin, the group will visit the site of the bunker where Hitler died, major Nazi ministries, and the site where the Nazis planned the Final Solution.
